

Achievers' List / Prestasielyst

Congratulations to the producers who achieved the best average price in their quantity groups, as well as to the Top Ten with the best 250 (all colours), best 100 white and best 200 black pelts (average price as indicated, is for the applicable pelt lot).
Baie geluk aan die produsente wat in hul getal groepe die beste gemiddelde pryse behaal het, asook die Top Tien met die beste 250 (alle kleure), beste 100 wit en 200 swart pelse (gemiddelde prys soos aangedui, is vir die lot pelse wat ter sprake is).

April 2017

Swakara Auction Results

Swakara once again made its mark at the international pelt auction in Copenhagen, Denmark on Wednesday, 26 April 2017 where 100% of the offering was sold. An average price of N\$500.94 was achieved for the 52 221 pelts that were sent to the auction by Agra Pelt Centre. This is an increase of 7.44% compared to the auction in September 2016 where an average price of N\$466.25 was achieved for a total of 46 426 pelts. The price achieved at the April 2017 auction was also 3% higher compared to the N\$485.96 achieved at the April 2016 auction.

The consignment consisted of 35 978 black, 11 880 white, 3 554 spotted and 809 diverse pelts.

The black top lot was sold for N\$1 193.93 to Konstantinos Furs from Greece, a loyal client of Swakara. The white top lot was purchased by Suzanne Ribak, also a big Swakara buyer from Germany, for N\$1 463.53.

The average price achieved for black Swakara pelts was N\$439.93, an increase of 13.30% compared to September 2016; white pelts achieved N\$807.79, an increase of 2.31% compared to September 2016 while lower prices were achieved for the spotted pelts that were sold for an average of N\$166.59 compared to N\$304.33 in September 2016 and diverse pelts sold for N\$177.15 compared to an average of N\$235.82 in September 2016, a decrease of 45.26% and 24.88% respectively.

The auction was attended by 75 clients and 28 successful bidders buying Swakara. The buyer who bought the most Swakara pelts was Bourtsos who bought 7 970 pelts followed by Carlo Guida who bought 5 653 Swakara pelts.

Although a higher price, an increase of 21% was paid in Danish Krone, the performance in Namibian dollars was affected by the exchange rate of N\$1.9257/ DKK 1.

Swakara however did well compared to the performance of mink that showed a 3% decrease in their average price achieved and a sales percentage of 72% - 93%.

The top Namibian producer with more than 250 pelts at this auction was Karasberge Karakoel Stoet Wit, who achieved an average price of N\$ 866.66 for 425 pelts.

The top South African producer was W A Knoesen who sold 344 pelts at an average of price of R 700.29.

Swakara Veilinguitslae

Swakara het weer eens sy merk gemaak op die internasionale pelsveiling in Copenhagen, Denemarke op Woensdag 26 April 2017, toe 100% van die pelsaanbieding verkoop is. 'n Gemiddelde prys van N\$500.94 is behaal vir die 52 221 pelse wat veiling toe gestuur is deur die Agra Pelsentrum. Dit verteenwoordig 'n prysstyging van 7.44% teenoor die gemiddelde prys van September 2016, toe 46 426 pelse teen 'n gemiddeld van N\$466.25 verkoop is. Die gemiddelde prys wat behaal is vir die April 2017 veiling was ook 3% hoër as die gemiddeld van die April 2016 veiling.

Die totale aanbieding van 52 221 pelse het bestaan uit 35 978 swart, 11 880 wit, 3 554 bont en 809 diverse tipe pelse.

Die swart top lot is verkoop teen N\$1 193.93 aan Konstantinos Furs van Griekeland, 'n getroue kliënt van Swakara. Die wit top lot is gekoop deur Suzanne Ribak, ook 'n groot Swakara klient vanuit Duitsland, teen 'n prys van N\$1 463.53.

Die gemiddelde prys vir swart pelse was N\$439.93, 'n styging van 13.30% teenoor die September 2016 veiling; wit pelse se gemiddeld was N\$807.79, 'n styging van 2.31% teenoor die September 2016 veiling. Bont pelse het vir 'n gemiddeld van N\$166.59 verkoop teenoor die N\$304.33 van September 2016, 'n daling van 45.26%, en diverse pelse het verkoop teen N\$177.15 teenoor die N\$235.82 van September 2016, 'n daling van 24.88%.

Die veiling is bygewoon deur 75 kliënte en 28 kopers het Swakara gekoop tydens die veiling. Die kopers wat die meeste Swakara pelse gekoop het tydens die April 2017 veiling was Bourtsos met 7 970 pelse, gevolg deur Carlo Guida met 5 653 pelse.

Die Deense Kroon styging van 21% wat behaal is tydens die veiling is ongelukkig affekteer deur 'n ongunstige wisselkoers van N\$1.9257/ DKK 1.

Swakara pelse het baie goed gevaar in vergelyking met nertspelse wat tydens dieselfde veiling 'n daling van 3% getoon het met 'n verkoopsentasie van 72-93%.

Die beste Namibiese produsent wat meer as 250 pelse op die veiling verkoop het, was die Karasberge Karakoel Stoet Wit wat 'n gemiddelde prys van N\$866.66 vir 425 pelse behaal het.

Die beste Suid-Afrikaanse produsent met meer as 250 pelse was Mr W A Knoesen wat 'n gemiddeld van R700.29 vir 344 pelse behaal het.
